Tony Webster (Academy Award®-winner **Jim Broadbent**, *Bridget Jones' Baby*, *The Lady in the Van*) is divorced, retired and leads a reclusive and relatively quiet life.

One day, he learns that the mother of his university girlfriend, Veronica, left in her will a diary kept by his best friend. Tony's quest to recover the diary forces him to revisit his flawed recollections of his youth and, digging deeper, uncovers deceit, regrets and guilt buried long ago. Can Tony bear to face the truth and take responsibility for the devastating consequences of actions he took so long ago?

Based on the Man Booker prize winning novel by **Julian Barnes**, **THE SENSE OF AN ENDING** features a stellar cast including **Charlotte Rampling** (45 Years), **Harriet Walter** (*Suite Francaise*, *Atonement*), and **Michelle Dockery** (*Downton Abbey*).
